Ranga Reddy District, India – 500075.

2023-2024

CERTIFICATE

This is to certify that the Project entitled "**Comparison of Brain Age And Human Age**", submitted by **Shahista Tamkeen (20261A1249)**, students of Bachelor of Technology in Information Technology at Mahatma Gandhi Institute of Technology, affiliated to JNTUH, Hyderabad, is a record of the bona fide work carried out under the supervision of **Mrs.U.Chaitanya**. This project, covering Stages I and II, is submitted in partial fulfillment of the requirements for the award of the degree of Bachelor of Technology in Information Technology during the academic year **2023-2024**.

This work has not been submitted to any other University or Institute for the award of any degree or diploma. To the best of our knowledge and belief, Stages I and II of this project have not formed the basis for the award previously of any other degree, diploma, fellowship, or any other similar titles.

DECLARATION

I **Shahista Tamkeen (20261A1249)** hereby declare that the Project titled "**Comparison of Brain Age with Human Age"**, encompassing Stages I and II, submitted in partial fulfillment of the requirements for the degree of Bachelor of Technology in Information Technology at Mahatma Gandhi Institute of Technology, affiliated to JNTUH, Hyderabad, is our original work conducted under the supervision of **Mrs. U. CHAITANYA.**

.

I affirm that:

1. This work has not been submitted elsewhere for any other degree or diploma.
2. No part of this project, including Stages I and II, is copied in any form from any other sources, except where due acknowledgment is made explicitly in the text, nor has any part been written for us by another person.

I understand the seriousness of plagiarism and the consequences that such an act can have on our academic results and integrity. I hereby certify that this material, which I now submit for assessment, is entirely our own work and has been carried out independently.

ACKNOWLEDGEMENT

I take this opportunity to express our profound gratitude and deep regards to our guide, **Mrs.U.Chaitanya**, for her excellent guidance, monitoring, and constant encouragement throughout the stages I and II of this project. The successful completion of these stages would not have been possible without the support that I received from her, for which I amimmensely grateful.

I would also like to express our gratitude to the Project Coordinators, **Mr. B. Lokesh and Mrs. CH. Lakshmi Kumari ,** for their insightful comments and suggestions, which served as a major motivation throughout our project work. Their readiness to provide support whenever I need is greatly appreciated, and I thank them sincerely for their time and efforts.

I are also thankful to **Dr. D. Vijaya Lakshmi**, Professor and Head of the Department of Information Technology, for her intellectual support throughout the duration of our project.

Special thanks to our Principal, **Prof. G. ChandraMohan Reddy**, whose inspiring guidance and unwavering support have been invaluable throughout our academic journey.

Finally, I also thank all the staff members and faculty of the Department of Information Technology at Mahatma Gandhi Institute of Technology, and our friends, who with their valuable suggestions and support, directly or indirectly helped us in completing the stages I and II of this project work.

My thanks and appreciations extend to everyone who has contributed in my academic and personal development during this project.
